A. Yes, you must reach the Gift with Purchase tiers to qualify with the discounted PV.

Q. What PV amount do new Customers and Brand Partners need to unlock discounts during Black Friday?

A: New customers and brand partners who enroll between November 17–21 need to place a 50+ PV order to unlock the Black Friday deals. If they would also like to unlock the 24% savings their order would need to be 100 + PV to qualify for both savings. Existing Brand Partners and Customers who already have their wholesale discount unlocked only need to place a 50 + PV order to qualify for the sale.

*The 30% off sale pricing is available at 50PV, but new enrollees must meet the 100 + PV requirement to receive both the 30% discount and their 24% wholesale membership pricing.

Q. Will first-time orders see the Black Friday discounts in their cart?

A. First-time orders will see their discount when they add their address during checkout.

Q. Can new enrollments stack Black Friday discounts with SHAREYL?

A. Yes, as long as the order is at least 50 PV prior to SHAREYL being applied.
